e-bikes

ROYAL DUTCH
Gazelle

That's my ride

We have been thinking of every detail since 1892 and do not compromise on quality, safety or comfort. We work with passion and dedicate ourselves to surprising design and smart innovations.

E-bikes that let you cut your commute in half, but also comfortable models for a relaxed ride in your free time. We do everything we can to ensure that our bikes are an attractive alternative for your daily ride.

Find out more at gazellebikes.uk

We constantly optimise our product range. You can find our latest range at **gazellebikes.uk**. There you will find up-to-date prices and a Gazelle store near you.

Over 130 years of innovation

Gazelle has been producing bikes since 1892. So we have all the knowledge and innovation we need to make the very best bikes. We only employ experienced fitters to assemble our bikes at our Dutch Innovation and Production Centre. Your bike will only be sent off to the Gazelle store once it has undergone extensive quality checks. So you are guaranteed the highest quality. And you can enjoy your bike worry-free.

E-bike guide

Gazelle has a wide range of e-bikes. You have many possibilities to choose from. We have listed the various technical capabilities of our e-bikes to help you work your way through them.

Battery position

The position of the battery affects the bicycle's handling. Check out what you prefer by road-testing the bicycles yourself.

In the frame

- + Nicely integrated into the frame
- + Good handling thanks to optimum weight distribution

On the frame

- + Good weight distribution

Under the luggage carrier

- + Easily removable
- + Maximum space for wide and low step-through

Motor types

Gazelle offers you the choice of a mid-mounted motor from various top brands.

A mid-mounted motor

- ▶ The most powerful/strong motors
- ▶ Achieve optimum weight distribution
- ▶ Provide a natural assistance thanks to the pedal force sensor

Medeo

Sportivity and comfort in the same bicycle

Gazelle Medeo combines the best of both worlds. The performance and style components are based on sports bicycles and the comfort and ease of use are derived from urban bicycles. Extra performance is obtained from the powerful Bosch performance motor, which excels in challenging hilly areas while assisting you silently. The result is a comfortable sporty e-bike you can use to navigate smoothly through town and which is suitable for the longer road to work.

	Gears	Motor	Battery choice	Battery integrated into frame	Hydraulic disc brakes	Display position

Makki

For the entire family

Makki has been designed with input from parents and children as the starting point. As a result, the Makki is no ordinary electric cargo bike, rather it is a cargo bike you and your children will derive a great deal of enjoyment from every time you use it. Safety and comfort have been given complete attention, for you and the kids.

	Gears	Motor	Battery choice	Hydraulic disc brakes	Belt drive	Max. load
						
Makki Load	Continuously variable (Enviolo Cargo)	Bosch Performance Line (65 Nm)	400 Wh / 500 Wh	✓	✓	250 kg / 551 lbs

MAKKI LOAD

- Your kids sit safely and securely thanks to the high EPP box
- Children can get on and off easily thanks to low step-through
- Comes off the stand effortlessly
- Iconic design, a bicycle you'll like to be seen on

DESCRIPTION Enviolo Cargo with Tektro HD-M750 hydraulic disc brakes **WEIGHT (KG)** 53,5 (excl. battery) **LBS** 117.9 (excl. battery) **COLOUR** black matte / ivory white matte **LOW-STEP** S(49)

Makki accessories

With a well-thought-out package of accessories you can dare to replace your second car with a Makki. The front bench, the Maxi Cosi adapter, the adapter for a child seat and the storage drawer means you can take everything with you. And the rain hood and cover protect you against all weathers.

Rain hood

The rain cover makes a trip with the Makki a pleasant outing even in the rain.

Storage drawer

Drawer for under the rear bench, closed with integrated lock.

Cover

The cover protects the Makki against rain and dirt when it is not being used.

Child seat adapter

Your toddlers can also be seated securely in the child seat in the Makki.*

** Child seat not included*

Front bench set

For an extra passenger or because it is actually fun sitting opposite one another!

Car seat adapter

The Maxi-Cosi is securely mounted using a simple click system. Your baby is seated safely in the Makki.*

** Car seat not included*

Bloom

Sturdy family bike

What you really want is a bike that lasts a lifetime. A sturdy family bike, on which you can easily and comfortably cycle under all conditions. On your own, with all your shopping, with one or two children. A bike you can use for the whole day. In a word, Gazelle: safe, electric support in a striking design.

Miss Grace

Styled down to smallest detail

Doesn't it look fantastic? Feminine yet sturdy, it lives up to its name: Miss Grace. Styled down to the smallest detail, this utility bicycle with wide tyres is nice and light to handle. You can carry everything you need on the practical front luggage rack. And thanks to its twin-leg kick stand and the handlebar lock your bicycle will stay upright, however much you're carrying. This bicycle will keep steady and upright even with a full crate or a heavy bag on the handlebar.

	Gears	Motor	Battery choice	Front carrier	Twin-leg kick stand	Steering lock	Hydraulic rim brakes	Display position

MISS GRACE C7 HMB

- Barely visible electric assistance (40 Nm)
- Manoeuvrable and stable due to low mid-mounted motor
- Maximum brakepower in every condition
- A tough and fast transport bike

DESCRIPTION 7-speed Shimano Nexus gears with Magura HS11 hydraulic brakes **WEIGHT (KG)** 25,6 (excl. battery) **LBS** 56.4 (excl. battery) **COLOUR** black matte or pale green **LOW-STEP** XS(46) | S(49) | M(54) | L(59) | XL(64)

Confident on your way

Fully relaxed cycling starts with mounting the bicycle with ease. The wide, low step-through makes this possible. When you sit on the saddle you are still able to put your feet on the ground. And then set off cycling with a comfortable – upright – sitting position. The powerful motor springs into action as soon as you cycle away. Just touch the brakes slightly to come to a quick and safe stop: with both feet on the ground.

	Gears	Motor	Battery choice	Low and wide step-through	Anti-slip pedals	Rearview mirror	Hydraulic rim brakes	Display position

EASYFLOW HMS

- The special geometry ensures you can always touch the ground with both feet
- Wide tyres, ergonomic handlebar grips and the soft saddle take care of any unevenness for you
- With the mirror and anti-slip pedals, you can move safely through the traffic
- The wide disc brakes ensure that you always come to a safe and easy standstill

DESCRIPTION 7-speed Shimano Nexus gears with Tektro HD-R280 hydraulic disc brakes **WEIGHT (KG)** 24,8 (excl. battery) **LBS** 54.7 (excl. battery) **COLOUR** mallard blue **LOW-STEP** XS(46)

SHIMANO
STOPS

Takes you anywhere

The Ami is like a good friend: always ready to help and takes you anywhere. You will feel secure and safe on the road on this all-rounder. Time to set off (again) on another adventure together! If for whatever reason you feel uneasy in traffic, this need not be so any more with the Ami. Because you can always rest both feet on the ground, you feel secure on the bicycle and able to ride off in any situation.
