USA

ROYAL DUTCH  
**Gazelle**

## That's my ride

Gazelle has been making bikes since 1892. This has given us the knowledge and innovation to make the very best bikes. We work with passion and dedicate ourselves to surprising design and smart innovations. We think of every detail and do not compromise on quality, safety, or comfort. We do everything we can to ensure that our bikes are an attractive alternative for your daily ride.

Today, tomorrow, or in the future, Gazelle is ready to help every cyclist and offer a great cycling experience. Find the Gazelle e-bike that matches your personal needs in this pocket guide, or go to **[gazellebikes.com/en-us](https://gazellebikes.com/en-us)**.

# Ultimate

## Ultimate feeling of freedom

The Ultimate lets you make the most of your leisure time, your weekend adventures, or your commute. And it rides just like it looks: super comfortably with a sporty look. Characterized by its innovative and dynamic design, the Ultimate is a feast for the eyes. And its unique motor, battery, and cable integration give the Ultimate a sleek and stylish presence. Sports cycling has never been so comfortable. Discover it for yourself.

# Medeo

## Sporty and comfortable

Gazelle Medeo combines the best of both worlds. The performance and style components are based on sports bicycles and the comfort and ease of use are derived from urban bicycles. Extra performance is obtained from the powerful Bosch Performance motor, which excels in challenging hilly areas while assisting you silently. The result is a comfortable and sporty e-bike you can use to navigate smoothly through town and which is suitable for the longer road to work. # Accessories

## Do more of life on two wheels

Featuring durable, water-resistant fabrics, sleek designs, and the same quality you would expect from our bikes, our bags allow you to confidently carry cargo in any conditions, and enjoy the ride farther and longer. Gazelle accessories are available for purchase through select Gazelle retailers. [www.gazellebikes.com/en-us/gazelle-accessories](http://www.gazellebikes.com/en-us/gazelle-accessories)

## GAZELLE COMMUTER BAG

The Gazelle commuter bag was designed for getting to work with peace of mind. Everything you need for a day at the office will be well protected in this waterproof bag, including your computer, with a special compartment developed specifically to cushion your laptop; the sleeve fits laptops up to 15 inches. The Gazelle commuter bag has a removable shoulder strap for comfortable carrying off the bike and attachment hooks to ensure the bag is tightly fastened to your bike's rear rack.

- 20L Capacity
- Waterproof fabric
- Reflective elements
- Removable shoulder strap

**DESCRIPTION** Waterproof canvas commuter bag with multiple compartments **CAPACITY** 20L **COLOR** Grey **MOUNTING SYSTEM** Composite hooks **DIMENSIONS** 28 x 43 x 17 cm

## GAZELLE CARRIER BAG

The Gazelle carrier bag is the versatile chameleon in our lineup of accessories. If flexibility is important to you, this MIK-ready rack top-mounted bag offers the ideal setup for your Gazelle, featuring special expandable compartments that dramatically increase your carrying capacity. Even the main compartment can be expanded upwards to provide enough space for your items. Reflective elements on the sides of the bag provide improved visibility, especially in low light conditions, while the water-repellent material and included rain cover will keep your bag's contents dry even in wet weather.

- 31L capacity (with all three compartments expanded)
- Equipped with a rain cover
- Reflective elements all around
- Easy mounting with the MIK-system

**DESCRIPTION** Canvas rack top-mounted bag with multiple expandable compartments **CAPACITY** 31L **COLOR** Black/brown **MOUNTING SYSTEM**  
**MIK DIMENSIONS** 28 x 43 x 17 cm

## GAZELLE DELUXE DOUBLE PANNIER

The Gazelle deluxe double pannier is a luxurious and durable option for carrying serious cargo. With a generous carrying capacity of 39 liters and with a 44 pound weight limit, this accessory handles large loads with ease. Boasting water-repellent material and an integrated MIK-mounting system, this pannier set can stand up to any conditions, from wet weather to rough roads, while multiple reflective stripes enhance visibility and ultimately rider safety. Add a touch of elegance to any errand with this sleek and accommodating accessory.

- 39L capacity
- Easy mounting with the MIK-system
- Water-repellent fabric
- Reinforced sides and bottom

**DESCRIPTION** Two connected water-repellent canvas bags

**CAPACITY** 39L **COLOR** Black **MOUNTING SYSTEM** MIK

**DIMENSIONS** 34 x 16 x 38 cm (2x)

## GAZELLE SINGLE PANNIER

The Gazelle single pannier was developed for leisure and everyday use. With an 18.5 liter capacity, this pannier can handle a small load of groceries, a serious haul from the library, or be used as a shoulder bag for off-bike adventures thanks to an included strap. The bag features a large inner compartment, a smaller lockable outer pocket with a zipper, and a flexible front compartment. Items will stay dry and protected thanks to a water-resistant fabric and hidden rain cover, while composite mounting hooks secure the pannier firmly in place on the rear rack.

- 18.5L Capacity
- Equipped with a rain cover and removable shoulder strap
- Multiple compartments, including a small lockable outer pocket with a zipper
- Removable shoulder strap

**DESCRIPTION** Canvas bag **CAPACITY** 18.5L **COLOR** Black/brown  
**MOUNTING SYSTEM** Composite hooks **DIMENSIONS** 31 x 40 x 15 cm

## GAZELLE DOUBLE PANNIER

The Gazelle double pannier is ideal for errands and adventures large and small. With a carrying capacity of 37 liters, this accessory can handle bulkier loads and support longer trips on two wheels. With functional features such as a water-resistant material and hidden rain covers for each pannier, this practical powerhouse is smart and stylish. Spec'ed with the MIK-mounting system, these bags lock securely to the rear rack, ensuring a safe ride for any and all cargo.

- 37L Capacity
- Easy mounting with the MIK-system
- Water-resistant fabric
- Main compartment, front compartment, and side compartment provide space for all your items

**DESCRIPTION** Two connected canvas bags **CAPACITY** 37L

**COLOR** Black/Olive **MOUNTING SYSTEM** MIK

**DIMENSIONS** 31 x 40 x 15 cm (2x)
