# Royal Dutch Gazelle

Gazelle's history is very much the history of the bicycle as a popular means of transportation. The original Dutch style comfort bike won over the hearts of the Netherlands 125 years ago and the continued design and technology have people all over the world falling in love today. Today, Gazelle remains at the forefront of invention to making cycling more enjoyable and accessible. Gazelle is an integral part of Dutch cycling heritage and has kept in cadence with today's global innovation with our new line of electric bikes. Gazelle is the benchmark for mobility – traditionally and contemporarily.

Today, tomorrow and into the future, Gazelle is here to provide everyone a great cycling experience. Find the Gazelle e-bike that matches your personal needs in this pocket guide, or go to **[www.gazellebikes.com](http://www.gazellebikes.com)**.
