

# Nothing rides like a Gazelle

Cycling makes the world a better, healthier and a more fun place. That is why we do our utmost everyday to get as many people as possible to cycle more.

When making our bikes we have thought of everything to give you the most comfortable cycling experience. Step onto the best bike with confidence. We have been thinking of every detail since 1892 and make no compromises when it comes to quality and comfort, so we make sure that nothing rides like a Gazelle.

### Find out more at gazellebikes.uk

We constantly optimise our product range. You can find our latest range at **gazellebikes.uk**. There you will find up-to-date prices and a Gazelle store near you.

Gazelle has been producing bikes since 1892. So we have all the knowledge and innovation we need to make the very best bikes. We only employ experienced fitters to assemble our bikes at our Dutch Innovation and Production Centre: the most modern bike factory in the world; Your bike will only be sent off to the Gazelle store once it has undergone extensive quality checks. So you are guaranteed the highest quality. And you can enjoy your bike worry-free.

### Sportivity and comfort in the same bicycle

Gazelle Medeo combines the best of both worlds. The performance and style components are based on sports bicycles and the comfort and ease of use are derived from urban bicycles. Extra performance is obtained from the powerful Bosch performance motor, which excels in challenging hilly areas while assisting you silently. The result is a comfortable sporty e-bike you can use to navigate smoothly through town and which is suitable for the longer road to work.

- Active cycling: sporty attitude combined with powerful assistance
- High-grade Shimano Deore groupset for optimum shifting performance
- Suspension front fork combined with wide tyres provide
   extra comfort

### Confident on your way

Fully relaxed cycling starts with mounting the bicycle with ease. The wide, low stepthrough makes this possible. When you sit on the saddle you are still able to put your feet on the ground. And then set off cycling with a comfortable - upright - sitting position. The powerful motor springs into action as soon as you cycle away. Just touch the brakes slightly to come to a quick and safe stop: with both feet on the ground.

- The special geometry ensures you can always touch the ground with both feet
- Wide tyres, ergonomic handlebar grips and the soft saddle take care of any unevenness for you
- With the mirror and anti-slip pedals, you can move safely through the traffic
- The wide disc brakes ensure that you always come to a safe and easy standstill

DESCRIPTION 7-speed Shimano Nexus gearswith Tektro HD-R280 hydraulic disc brakes WEIGHT (KG) 25,8 (excl. battery) LBS 56.9 (excl. battery) COLOUR mallard blue LOW-STEP XS(46)

### Takes you anywhere

The Ami is like a good friend: always ready to help and takes you anywhere. You will feel secure and safe on the road on this all-rounder. Time to set off (again) on another adventure together! If for whatever reason you feel uneasy in traffic, this need not be so any more with the Ami. Because you can always rest both feet on the ground, you feel secure on the bicycleand able to ride off in any situation.

- Without a care: both feet on the ground at all times
- Sprung seat post and front fork iron out bumps
- Gel saddle and ergonomic handles can be adjusted to your posture
- The modern look boosts your self-confidence
