Royal Dutch Gazelle

Gazelle's history is very much the history of the bicycle as a popular mean of transportation. The original Dutch style comfort bike won over the hearts of the Netherlands 125 years ago and the continued design and technology have people all over the world falling in love today. Today, Gazelle remains at the forefront of invention to make cycling more enjoyable and accessible. Gazelle is an integral part of Dutch cycling heritage and have kept in cadence with today's global innovation with their new line of electric bikes. Gazelle has positioned themselves as the benchmark for mobility – traditionally and contemporarily.

Today, tomorrow or in the future, Gazelle is ready to help every cyclist and offer a great cycling experience. Find the Gazelle e-bike that matches your personal needs in this pocket guide, or go to **www.gazellebikes.com**.
