ROYAL DUTCH
Gazelle

Royal Dutch Gazelle

Gazelle's history is very much the history of the bicycle as a popular means of transportation. The original Dutch style comfort bike won over the hearts of the Netherlands 125 years ago and the continued design and technology have people all over the world falling in love today. Today, Gazelle remains at the forefront of invention to making cycling more enjoyable and accessible. Gazelle is an integral part of Dutch cycling heritage and has kept in cadence with today's global innovation with our new line of electric bikes. Gazelle is the benchmark for mobility – traditionally and contemporarily.

Today, tomorrow and into the future, Gazelle is here to provide everyone a great cycling experience. Find the Gazelle e-bike that matches your personal needs in this pocket guide, or go to **www.gazellebikes.com**.

Ultimate

Ultimate feeling of freedom

The Ultimate lets you make the most of your leisure time, your weekend adventures, or your commute. And it rides just like it looks: super comfortably with a sporty look. Characterized by its innovative and dynamic design, the Ultimate is a feast for the eyes. And its unique motor, battery, and cable integration give the Ultimate a sleek and stylish presence. Sports cycling has never been so comfortable. Discover it for yourself.

BOSCH

Medeo

Sporty and comfortable

Gazelle Medeo combines the best of both worlds. The performance and style components are based on sports bicycles and the comfort and ease of use are derived from urban bicycles. Extra performance is obtained from the powerful Bosch performance motor, which excels in challenging hilly areas while assisting you silently. The result is a comfortable sporty e-bike you can use to navigate smoothly through town and which is suitable for the longer road to work.
